

Suggested Use: One scoop in approximately 8 ounces of water, twice a day or 2 scoops in approximately 12 ounces of water, once a day. Stir vigorously. Slight clumping may occur. You may also mix in juice, smoothies, protein powder, hot beverages or food.

NOTE: Leave scoop outside container after use to prevent sticking. Wash before reusing.

AMAZING AMINOS[®] AC consists of pre-digested amino acids and short chained peptides that are derived from the finest wild caught, deep sea Atlantic Cod. Most amino acid supplements are produced by industrial processes using bacteria or other synthetic processes while ours comes from a living organism – Fish!†

AMAZING AMINOS AC Amino Acids are perfectly balanced in naturally proportioned amounts for a complete set of building blocks in the body. **AMAZING AMINOS AC** contains the non-essential amino acids (which can normally be synthesized by the body), as well as the essential amino acids (those which must be obtained from diet). Altogether, **AMAZING AMINOS AC** contains full spectrum, pure amino acids:‡

AMAZING AMINOS AC uses *Hypo-Allergenic Protein* and is manufactured following *cGMP* quality standards & is regularly tested for metals (mercury, cadmium, lead, etc.). All tests show that the product is well below industry regulated levels in the United States, Europe, and Japan. The wild caught fish used to make **AMAZING AMINOS AC** have no possibility of being exposed to antibiotics or hormones as is possible with farm raised animals or fish:§

CONTAINS NO: Soy, Wheat, Lactose, Yeast, Gluten, Preservatives, Antibiotics or Hormones.

NON-GMO • Made in the U.S.A.
